

Live Fish Movement Stocking Record Sheet

Site Permit Reference Number: SP EW061-Q-324-6718-03 Site/Fishery Name: PG RBL AC

Where any fish species are listed for introduction under condition 4 of a Site Permit, the permit holder must ensure records are kept of all introductions of fish. This record must include the date, supplier(s), species, size/weight range, and total number/weight of the fish introduced. These records must be kept for at least two years from the date on which the fish introduction took place and must be made available to Environment Agency Officers on request.

For additional Live Fish Movement Stocking Record Sheets please contact the Fish Movements Team: fmapplications@environment-agency.gov.uk or 02084 745243
